DecisiveInstincts LLC, a Native Hawaiian Organization-Owned 8(a) Small Business Announces Partnership with Jones Group International (JGI)

Strategic Partnership to Strengthen Presence in the Indo-Pacific Theater

Washington, D.C. – August 8, 2024 –DecisiveInstincts LLC, a Native Hawaiian Organization (NHO)-owned 8(a) small business is pleased to announce a strategic partnership with Jones Group International (JGI), a leading global advisory firm led by **General James L. Jones, USMC (Ret)**. This new strategic alliance brings a unique set of capabilities and influence to the Indo-Pacific region while enhancing the position of both firms to better serve U.S. government and international clients with critical insight, innovative solutions, and comprehensive services.

The partnership combines JGI's vast expertise in global security, defense, and diplomatic affairs with DecisiveInstincts LLC's unique status as an NHO-owned 8(a) small business and its deep-rooted knowledge of the Indo-Pacific theater. This collaboration will enhance the ability of both organizations to offer tailored solutions that address the strategic challenges and tactical opportunities in this vital region.

"The selection of DecisiveInstincts to support worldwide IT modernization efforts at Marine Corps locations across the globe underscores the trust and confidence our Corps has placed with the DecisiveInstincts team," stated General Jones, Founder and Chairman of Jones Group International. "With a focus on the Pacific and an unparalleled customer-centric approach, DecisiveInstincts is positioned to deliver solutions that provide for a secure and prosperous Indo-Pacific," he added, emphasizing the strong strategic fit and both companies' shared commitment in supporting our military and government civilians.
